

Refund & Return Policy

Effective date: January 1, 2026

Overview

We want you to be fully satisfied with your purchase. If something isn't right, this policy explains how returns, exchanges, and refunds work.

Eligibility for Returns

Items are eligible for return if all of the following conditions are met:

- The return is requested within 30 days of the delivery date.
- The item is unused, unworn, and in its original condition.
- The item is in its original packaging, including any tags, manuals, or accessories.
- Proof of purchase (order number or receipt) is provided.

Non-Returnable Items

The following items are not eligible for return or refund, except in cases of manufacturing defects:

- Gift cards and digital downloads.
- Personal care and hygiene products that have been opened.
- Items marked as 'Final Sale' at the time of purchase.
- Custom or personalized items made to order.

How to Start a Return

To start a return, log into your account and go to 'My Orders'. Select the item you wish to return and choose a reason from the list provided. You'll receive a prepaid return shipping label by email within a few minutes. Pack the item securely, attach the label, and drop it off at any authorized carrier location.

Refund Processing

Once your returned item is received and inspected, we will notify you by email that the refund has been approved or rejected. Approved refunds are processed within 5-7 business days and issued to your original payment method. Depending on your bank or card issuer, it may take an additional 3-5 business days for the refund to appear on your statement.

Original shipping fees are non-refundable unless the return is due to a defective or incorrect item being shipped to you. In that case, the return shipping cost is also covered.

Exchanges

If you'd like a different size, color, or item instead of a refund, select 'Exchange' rather than 'Return' when starting the process. Exchanges are subject to stock availability. If the requested item is unavailable, a refund will be issued instead.

Damaged or Defective Items

If you receive a damaged, defective, or incorrect item, contact our support team within 7 days of delivery with your order number and photos of the issue. We will arrange a free replacement or full refund, including shipping costs, at no charge to you.

Late or Missing Refunds

If you haven't received a refund after 10 business days from the approval notification, first check your bank account again, then contact your card issuer, as processing times can vary. If you've done this and still have not received your refund, please contact our support team.
